

## **Applications open for level 8 BA Applied Policing and Criminal Justice**

The Bachelor of Arts in Applied Policing and Criminal Justice is a two-year, part-time, blended learning programme, delivered by the School of Law at the University of Limerick. The level 8 BA in Applied Policing and Criminal Justice is specifically designed for those who have completed the level 7 BA in Applied Policing, delivered at An Garda Síochána Training College, or equivalent. As part of the programme, learners complete ten modules, delivered by the UL School of Law using an online e-learning platform, leading to the award of a level 8 honours degree. Learners combine taught modules with research modules in order to develop their cognitive and technical skills. Learners also complete a final year project under the supervision of a faculty member with specific expertise in that area. This gives learners the opportunity to work independently on a topic that is of personal interest to them and allows them to conduct research under their own direction.

The application process for the 2022 intake for the level 8 BA in Applied Policing and Criminal Justice opens on 1 March 2022 and will close on 31 May 2022. Classes start in line with the UL Academic Calendar in September 2022. Full details on the programme, including a link to the Course Brochure and information on the application process, can be accessed on the programme website: <https://www.ul.ie/gps/applied-policing-and-criminal-justice-ba>
