

GRA STATEMENT

GRA extends sympathies to family of former Executive member Alexander (Ulick) Burke

16.08.2019

“It is with regret that the Garda Representative Association (GRA) has learned of the untimely death of our former colleague retired Detective Garda Ulick Burke who passed away this week, at the age of 61.

“Ulick, a native Naas Co Kildare, was a GRA representative for the DMR West Division and had served in Ballyfermot, Clondalkin and Fitzgibbon Street Garda Stations.

“Ulick was a friend and great colleague to those he served with. His humour and charm were legendary. He had an unorthodox style that disguised a shrewd appreciation of the human side of being a garda.

“He was a very effective GRA representative who was always available to assist and support any members experiencing difficulties of a personal or professional nature.

“The GRA extends its deepest sympathies to his wife, Kathleen, his children Catherine and David, his wider family, friends and former colleagues.

“Ní bheidh a leithéid ann arís. Ar Dheis De go raibh a anam dilis”.
